

Prospective Members Application Information Sheet

MSI applicants **must apply in person** at the MSI Board meeting. The MSI Board meeting is held the first Thursday of each month except for June and July. Prospective members need to arrive at 6:30PM for orientation and a brief safety check (required). The meeting starts at 7:30pm after which time no safety check will be done and your application will not be able to be processed.

Each applicant must provide three (3) letters of recommendation with your application and must have or purchase a membership to the NRA, required for the first year. Please come prepared to pay with a check or cash for membership fees. Membership dues are prorated throughout the year. Contact the membership chair for the exact amount.

Once the Board meeting convenes you will wait until the Membership Chair introduces the Board of Directors to prospective members and then in turn each prospective member introduces themselves, name and town and your shooting interests that you want to join the range to participate in. This is all very informal. When the prospective members finish with introductions the membership volunteer will escort them to the Manchester Club room while the voting on your memberships proceeds. The membership chair will come to escort you back to the meeting at which time you will be welcomed into membership.

All new members are assigned a team even if they don't plan to participate in the 22 caliber matches that run with the Met League from September to May. If you have a relationship with someone that is already a member feel free to join their team. Otherwise, the criteria for team assignments are to ask which night of the week is better for you to shoot. Monday, Tuesday or Wednesday.

Members that want to join as a Full Club to attain a key must put in 10 work hours before becoming a Full Key member and have completed a probationary period of 90 days.

You will receive a temporary card which you write the hours on the back with the signature of the person in charge of the work event. You will need to turn in the temporary membership card when you apply for a key to verify hours worked. You will receive a new membership badge and lanyard or clip with your photo.

To receive the newsletter you need to make sure that you have included your email on your application and if you change it in the future notify the Membership Chair.

Any other questions please email the Membership Chair, Wendy Griffin at MsiMembershipChair@cox.net or call 860-614-7080 after 4pm.
