1988-1989
SEASON RESULTS

The Metropolitan Revolver League of Hartford, Inc.

A few brief notes on the history of our league

Winter of 1937 - 1938

Informal and friendly matches were held between the following clubs, shooting slow fire only at 60 feet.

1. Windsor Police Revolver Club.
2. Capitol City Gun Club.
3. Hartford Courant Pistoleers.
4. Southern New England Telephone Revolver Team.
5. Colts Club.

Fall Of 1938:

The above Clubs got together at Colt's and formed the Metropolitan League of Hartford.

The name of the League was selected because the clubs were in the Metropolitan area of Hartford.

Revolvers were used as there were few .22 caliber automatic target pistols available at that time.

The following officers were elected:

President. Robert Dudley of Colt's
 Secretary. ??????
 Treasurer. Ray Harlow of SNET
 Range Off. Capt. Edward J. Langish of Hfd. Police Dept.
 Referee. J. Henry Fitzgerald of Colt's

The Windsor Revolver Club defeated the Mercer & Dunbar Armored Car Service in the first match of the Metropolitan Revolver League.

Firing was at the Newington American Legion Range.

(Building burned down next week).

The newly organized M&D team firing its first shoulder to shoulder match,

suffered somewhat from buck fever- - - .

Score: Windsor 1160 High score for the match. 238
M & D 799

Large type time & rapid fire targets were used for slow fire.

"The Capitol City Club boys have decided that more heat in their range room might improve scores, the thought being suggested by shooting on the delightful Phoenix State Bank range, on main st. in Hartford.

March 28, 1939, The first Metropolitan Revolver League Banquet was held at the Colt's Memorial Building on Wyllys Street in Hartford.

Among several speakers, were, J. Henry Fitzgerald, noted Colt Ballistic expert, showman of special shooting, in a brief talk, stated "that an expert shooter must have control over every nerve and muscle in his body---"

Leonard C. Davis, advertising manager at Colt's congratulated the League upon an amazing first year.

From March 28, 1939 until August 31, 1941, records of the league functions have been lost.

The Metropolitan Revolver League of Hartford held a meeting on August 31, 1941:

Ed Prouty of the Windsor Revolver Club, one of the most active Promoters of the League, was elected President of the league.

At this organizational meeting, it was voted to establish a new board of governors, composed of one member of each club to be added to the elective officers.

It was decided to use the NRA type targets this season, and that NRA rules will be in effect with the exception of the League timing and unlimited entries in matches. It was decided not to become a NRA team league due to the reasons we wouldn't be able to start our matches until December and most of the clubs, being newly organized didn't want to have its members be just NRA members.
