

This Year's Shooting Season is Dedicated to All our Women Shooters

Introducing the Metropolitan League's Top Two Women Shooters!

Teryl and Mary---**ON TARGET!**

Shooting for Manchester, these women have alternated holding the High Woman's Averages for the past several years. Both have busy lives as professionals; Teryl, an Attorney in Mass, and Mary an Electron Microscopist at the UConn Medical School. They are familiar faces at the Camp Perry National Championships and compete in major New England Tournaments. They are both Outdoor Experts and belong to the Conn State Rifle and Revolver Association. Some of their individual accomplishments are:

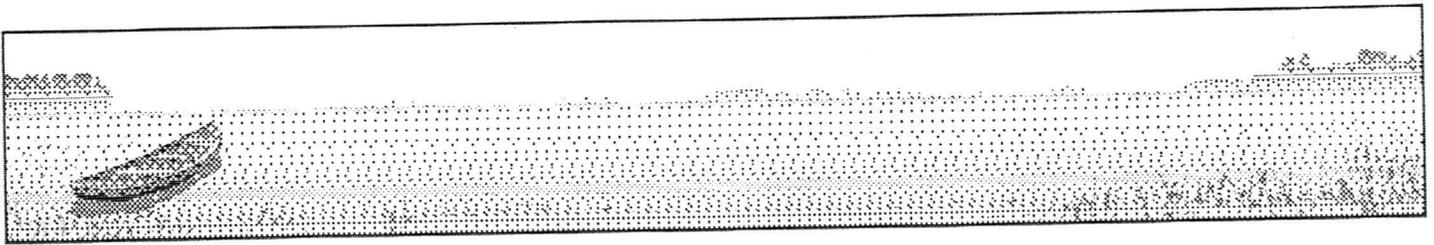

<

Shooting since 1983, Teryl made indoor Master this April. She shot with Windsor Locks until joining Manchester 4 years ago. She is the first woman range officer for MSI, and made the Manchester team three years. Teryl is an NRA Firearms Instructor and runs the MSI Air Pistol Matches. Competing in the Nutmeg State Games, Teryl has won gold medals for Women's Air Pistol from '91-'94 and Free Pistol '92-94. She usually has perfect attendance at our league matches and can be counted on for a high score. Teryl fires on the Conn State Pistol Team and is in charge of the target scoring statistics at the Conn State Indoor Championships. She is the High Woman Shooter in the Met League this season.

>

Mary has been shooting since 1990 and is an indoor Master. She was last year's High Woman in the Met and New London County Pistol Leagues. A life member of the Pine Tree State Rifle and Pistol Association, she shoots on the Maine State Pistol team. This year Mary was the High Woman Shooter at the Conn., Mass., New Hampshire and Maine State Championships. She beat the National Women's Indoor Pistol record (295-7) by firing a 296-12 at one of this Spring's 1800's here at MSI. Mary travels to many out-of-state competitions and fired on the winning Expert team at the Tampa Mid-Winter Championships. She credits Bill Ives for her successful beginning since he patiently coached her from her first shot to the end of her first Rockville Summer season.

It is with great sadness that we announce the passing of a fellow shooter, Robert Slattery. Bob served 4 years in the US Marine Corps and was a retired member of the Conn State Police Force. After retirement he was a special investigator for the Nationwide Insurance Co. He was a member of the Tolland County Pistol Team: will be remembered for his self-assurance and sense of humor. We shall miss him.

Mervin H. ("Pop") Terry was born on Jan 13, 1908 in Enfield, Ct. He started his shooting career in 1922.

While working at Pratt & Whitney Aircraft as a security guard, he fired with the Guard team. He joined the Bell City Pistol Club after the Guard team disbanded. He was still shooting at the age of 86.

He passed away on Aug.29, 1994 after an illustrious career as a gunsmith for his friends.

Military Victor Solid Rib

Same fine target pistol as the Military Victor (above) except with solid rib. Like all Victors and Trophies, it has a gold plated trigger, safety, magazine release and identifying roll marks gold filled. 5½" barrel, .22 L. R., 47 oz. weight. A detachable barrel weight, not shown, is furnished and increases weight to 48¾ oz.

Md. 9211 Victor Military, 5½" solid ribbed barrel.....\$198.00

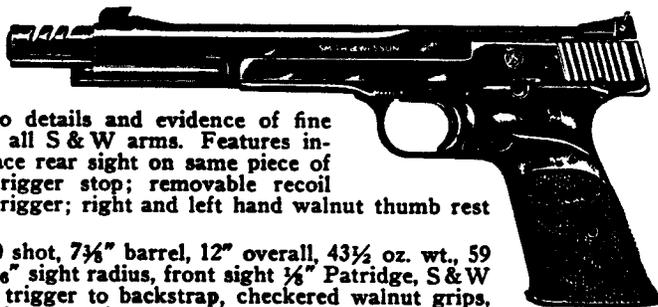

Model 41 Long Bbl.

The Model 41 is a product of precision workmanship, with the careful attention to details and evidence of fine handwork that distinguishes all S & W arms. Features include barrel extension to place rear sight on same piece of metal; built-in adjustable trigger stop; removable recoil brake; grooved target type trigger; right and left hand walnut thumb rest grips.

Specifications: .22 l. r., 10 shot, 7¾" barrel, 12" overall, 43½ oz. wt., 59 oz. with optional weights, 9/16" sight radius, front sight ¼" Patridge, S & W micrometer rear, 2¾" reach trigger to backstrap, checkered walnut grips, S & W Blue, with sandblasting, matting and serrations around sighting areas to break up light reflections.
