## Members We Shall Miss

**Ed Chappel**, a member and Vice President of the **Charter Oak** team, died June 11<sup>th</sup>, 1999. Ed retired early as a Mechanical Engineer for Pratt & Whitney, and also worked at Colt's Manufacturing Company. Ed was named Range Officer of the year for the '97-'98 season.

**Kevin Winslow**, a member of the **Manchester** team, died February 2<sup>nd</sup>, 2000. Kevin, age 43, was involved in a fatal construction accident at the Milford Power Plant. Before his death, Kevin, a Newington resident, was very active as a Boy Scout Leader as well as a league shooter.

**Norman Mawdsley**, a member of the **Tolland County Pistols** team, died May 22, 1999, he was 73. Norm lived in Hebron and was formerly president and co-owner of Colonial Texaco in Coventry. Most recently he worked as a greenskeeper at Tallwood CC in Hebron, where he took great pleasure and pride in his work. Though not a regular competitive shooter, Norm was one of those rare individuals we could always count on to be at a club work function without being asked. We shall miss him greatly.

**Tom Alicata**, one of the founding members of the **Torrington Gun Club**, died on December 29, 1999. He was 80 years old. Tom was a member of the club for over forty years and was a dedicated shooter and promoter of the shooting sports. A winner of the Arnold Goodwin Award in 1977, he was well known throughout the league. Tom will be sorely missed by all.

## St. Jude Children's Research Hospital Shoot-A-Thon

On March 8, the Metropolitan Revolver League was able to donate \$7000 to St. Jude Children's Research Hospital at the WWYZ 92.5 Country Radio-a-thon. Met League President Mark Schillinger presented the donation and said a few words on the air about who we are and what we do. The radio-a-thon raised \$830,000 this year, over \$100,000 more than last year, and we were a significant part of that improvement. The Metropolitan Revolver League participation was also documented in an article by Mike Roberts in the March 19<sup>th</sup> issue of the Meriden Record Journal.

St Jude was established for the sole purpose of conducting research into catastrophic childhood diseases, mainly cancer. Since 1962, St. Jude has treated more than 16,000 children from more than 60 countries. St. Jude covers all medical costs not covered by insurance. Families who have no insurance are never asked to pay. Operating costs for the Hospital, about \$467,000 daily, are primarily covered by public contributions. Of every dollar contributed, about 89 cents goes directly to these operating costs. The remainder goes to fundraising and administrative costs.

## Tony Christina Award

Tony Christina Died May 19, 1968

### Foreword

Tony Christina possessed outstanding qualities in the pursuit of his avocation - Pistol shooting and competition: He was an even-tempered, extremely dependable, honest and forthright individual. He was not one to seek recognition in any way, for his endeavors, but rather was often embarrassed with plaudits afforded him. Tony was rich in friends and possessed a humility unparalleled in the league.

### Qualifications

1. The person selected must have demonstrated an unstinting willingness to help new shooters to achieve in their marksmanship endeavors.
2. A person who could never say "No" to any job, no matter how big or how small, selected for him to accomplish.
3. A person possessing a ready smile, jovial word and a dependability, second to none.
4. A person who would accept unequivocally, any office and fulfill any position and attend any committee function assigned to him by his fellow club and State organization members.
5. A person, who, on many occasions, doesn't wait to be asked to do a job, but rather initiates the endeavor himself for the betterment of the shooting fraternity, in general.

The Tony Christina Award in no way, conflicts with the coveted Arnold Goodwin Award. The Christina award is not confined to Club functions, but rather encompasses the entire shooting fraternity throughout the State of Connecticut and its connections with National events.

"Get the proper grip on your pistol and keep the pressure constant, align the sights on the target properly, then with the trigger finger only, exert a steady, constantly increasing pressure, straight to the rear, until the hammer falls."

William C. Joyner

"If the gun settles in the proper aiming area on the target and the movement is such that you can accept, then commit yourself to delivering that shot and squeeze with a positive pressure without any hesitation."

"The best way to think about trigger control is that you are going to squeeze the trigger as soon as the weapon settles and you have the sights aligned. While you are applying pressure on the trigger you concentrate on keeping the sights aligned until the hammer falls, firing the weapon."

William B. Blankenship, JR.
