## St. Jude Children's Research Hospital Shoot-A-Thon

This year, the Metropolitan Revolver League donated \$3081.90 to St. Jude Children's Research Hospital, bringing the total donations for the past two years to over \$10,000.00. Congratulations to Capitol City for taking top honors. Congratulations also to the other clubs for their efforts to the cause.

Our Shooters have made a significant contribution to the children who really need our help. While there is much more to do, we can feel a sense of accomplishment and pride for a job well done.

St Jude was established for the sole purpose of conducting research into catastrophic childhood diseases, mainly cancer. Since 1962, St. Jude has treated more than 16,000 children from more than 60 countries. St. Jude covers all medical costs not covered by insurance. Families who have no insurance are never asked to pay. Operating costs for the Hospital, about \$467,000 daily, are primarily covered by public contributions. Of every dollar contributed, about 89 cents goes directly to these operating costs. The remainder goes to fundraising and administrative costs.

## Tony Christina Award

Tony Christina Died May 19, 1968

### Foreword

Tony Christina possessed outstanding qualities in the pursuit of his avocation - Pistol shooting and competition: He was an even-tempered, extremely dependable, honest and forthright individual. He was not one to seek recognition in any way, for his endeavors, but rather was often embarrassed with plaudits afforded him. Tony was rich in friends and possessed a humility unparalleled in the league.

### Qualifications

1. The person selected must have demonstrated an unstinting willingness to help new shooters to achieve in their marksmanship endeavors.
2. A person who could never say "No" to any job, no matter how big or how small, selected for him to accomplish.
3. A person possessing a ready smile, jovial word and a dependability, second to none.
4. A person who would accept unequivocally, any office and fulfill any position and attend any committee function assigned to him by his fellow club and State organization members.
5. A person, who, on many occasions, doesn't wait to be asked to do a job, but rather initiates the endeavor himself for the betterment of the shooting fraternity, in general.

The Tony Christina Award in no way, conflicts with the coveted Arnold Goodwin Award. The Christina award is not confined to Club functions, but rather encompasses the entire shooting fraternity throughout the State of Connecticut and its connections with National events.

### Late Shots

Did you ever wonder about the Met League Classification System? It can be confusing to new shooters since the classification ranges differ from the standard NRA classification system. The following table summarizes the NRA recognized classifications and their Met League counterparts.

The way we use the classifications also differs somewhat from the way classified shooters compete. In the Met League, each shooter is assigned a classification at the *end* of the season, and competes for awards with shooters placed in that class with him or her. In NRA registered matches, shooters are effectively classified *prior* to the matches they shoot in, so a classified Expert shooter, for example, may shoot a score in the Master range, but is still ranked with the Experts for award purposes.

<u>Classification</u>	<u>Met League</u>	<u>NRA</u>
High Master	None	291.00 – 300.00
Master	273.00 - 300	285.00 – 290.99
Expert	255.00 – 272.99	270.00 – 284.99
Sharpshooter	240.00 – 254.99	255.00 – 269.99
Marksman	0.00 – 239.99	0.00 – 254.99
