Tony Christina Award

Tony Christina Died May 19, 1968

Foreword

Tony Christina possessed outstanding qualities in the pursuit of his avocation - Pistol shooting and competition: He was an even-tempered, extremely dependable, honest and forthright individual. He was not one to seek recognition in any way, for his endeavors, but rather was often embarrassed with plaudits afforded him. Tony was rich in friends and possessed a humility unparalleled in the league.

Qualifications

1. The person selected must have demonstrated an unstinting willingness to help new shooters to achieve in their marksmanship endeavors.
2. A person who could never say “No” to any job, no matter how big or how small, selected for him to accomplish.
3. A person possessing a ready smile, jovial word and a dependability, second to none.
4. A person who would accept unequivocally, any office and fulfill any position and attend any committee function assigned to him by his fellow club and State organization members.
5. A person, who, on many occasions, doesn’t wait to be asked to do a job, but rather initiates the endeavor himself for the betterment of the shooting fraternity, in general.

The Tony Christina Award in no way, conflicts with the coveted Arnold Goodwin Award. The Christina award is not confined to Club functions, but rather encompasses the entire shooting fraternity throughout the State of Connecticut and its connections with National events.

Late Shots

Stay tuned next year for a couple changes in the Met League Rules. In the January meeting this year, it was decided that the League would adopt the standard NRA classifications. I don't think we will separate the High Masters from the Masters, so we will continue to use the Marksman, Sharpshooter, Expert, and Master classifications, but the National Match Course Averages given below will be used to classify shooters at the end of the 2002-2003 year. Some of the current Masters will be busted back down to Experts, etc.

<u>Classification</u>	<u>NRA NMC Average</u>
Master	285.00 – 300.00
Expert	270.00 – 284.99
Sharpshooter	255.00 – 269.99
Marksman	0.00 – 254.99

The other agreed change will be to adopt the standard NRA range command terminology – “alibi’s” will now become “re-fire’s”. The rules will be updated with the NRA range commands, and the new command phrases will be available for all teams.
