2020-2021 Season Results

Members of the Met League,

This is now the end of the second season impacted by the on-going Covid-19 global pandemic. Unlike the 2019-2020 season, which was cut short by the pandemic, all scheduled matches for 2020-2021 were held. The format of the matches, however was modified significantly. The teams met individually to conduct the matches and check the scoring, and the resulting scores were submitted electronically, where I combined the results from each team to determine the outcome of the match. Matches were held with appropriate social-distancing, which meant a minimum of the comforts of socializing and snacking usually accompanying a night out with the team, but we did get the matches in.

From a stats point of view, participation was good in 2021, despite the pandemic, with a 6% increase in the number of qualifying shooters. The top 3 team average was also up 6%. There were several teams with rather large changes in average over the past two years, but this is not unusual.

League meetings were held exclusively online using Zoom video conferencing, which in my opinion was very effective and efficient, more to my liking than meeting in person, actually.

For this season, the following deviations from our usual procedures applied, and the format and content of this bulletin reflects them:

- The nominated League awards, Newcomer of the Year, Met League Mentoring Award, Met League Marksmanship Award, Met League Range Officer of the Year Award, and Met League Leadership Award, were not awarded for the 2020-2021 season.
- The annual League Award Banquet was not scheduled, although we are looking into tentatively scheduling it in the fall, so stay tuned!
- The annual League Awards Bulletin is to be published electronically only, no official printed copies to be made at the end of the season, but if we have a banquet, we will probably print copies for distribution at the door.
- No trophies will be produced. The perpetual plaques and cups will be updated to reflect the final results of the 2020-2021 season. Again, this depends somewhat on the success or failure of a fall banquet. If it is held and there is sufficient participation, we may have trophies made up.

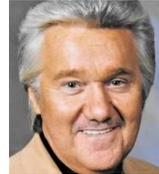

Looking forward from where we are now, a large percentage of the state's population, especially the older, vulnerable age groups of which many more of us are a part than would care to admit, have been vaccinated, and the vaccines are working! The number of cases is reduced, as are the number of severe illnesses and deaths. The CDC, at the time of this writing, is relaxing masking and social distancing requirements for fully vaccinated people, despite the growing number of genetic variants of the Covid-19 virus that are absolutely ravaging parts of the world even now. I am hoping that next year's season will be considerably more normal than this past season. Having personally lost family to this pandemic, I hope and recommend and urge that all our shooters who can be go get vaccinated, I want to see you all on the rosters for many years to come!

2020-2021 Season Results

On a very sad note, we lost our Chief Range Officer, Roger Sperry, this past January. I did not always agree with his point of view, but I will miss him. He was one of the very first gun people I encountered as I was just getting into the sport and shopping at Newington Gun Exchange.

We also lost another irreplaceable member of our community within the past few weeks. I was saddened to learn that Butch Surwilo, 57 year owner of Mr. Trophy, passed away on August 26th, 2021. His public obituary stated that "He lived by his motto, "The customer is always right.""", and that was most certainly my strongest impression of the way he ran the business. No matter how many times I called to ask him to fix this or that issue with the Met League trophies, he *always* said immediately that I should bring it right in and they would fix it on the spot. At our last banquet I had a whole series of trophies with issues, and he had the replacement labels made up for me before I even arrived at the shop. Each year, I would show up in the office and he would peek at me from his desk in the office and his eyes would light up and he would address me by name. Frequently he would recount stories about all my stat office predecessors and it was clear he had a personal relationship with all of us. It will be a difficult visit for me the next time I visit the shop to place our order the next time the opportunity arises.

Once again, on behalf of the officers of the Hartford Met League, I wish you peace and health for the coming months. Stay safe, and if you can and haven't, GO GET VACCINATED! I'd really like to see you in person in the fall!

Regards,
Jim Crane
