2021-2022 Season Results

Members of the Met League,

This is now the end of the third season impacted by the on-going Covid-19 global pandemic. Similar to last year, all scheduled matches for 2021-2022 were held. The format of the matches was the same as last year: The teams met individually to conduct the matches and check the scoring, and the resulting scores were submitted electronically, where I combined the results from each team to determine the outcome of the matches. There were some matches postponed due to high transmission rates, but all were made up before the close of the season.

The League did get in a banquet for the 2020-2021 season, which was actually held in the fall on September 17th. About 100 people attended the banquet. Unfortunately, one of the teams did experience a serious outbreak following the banquet, and that team is not planning on attending the 2022 banquet. In lieu of trophies, certificates were printed and distributed for the awards, which was received well. For this year, one set of trophies is planned for the overall ranking and certificates are planned for the other awards.

League meetings were held exclusively online using Zoom video conferencing, which in my opinion was very effective and efficient, more to my liking than meeting in person, actually.

For this season, the following deviations from our usual procedures applied, and the format and content of this bulletin reflects them:

- The nominated League awards, Newcomer of the Year, Met League Mentoring Award, Met League Marksmanship Award, Met League Range Officer of the Year Award, and Met League Leadership Award, were not awarded for the 2021-2022 season.
- As described above, only one set of trophies will be issued. The perpetual plaques and cups will be updated to reflect the final results of the 2021-2022 season.

As of the end of the 2021-2022 season, things are starting to look better with respect to the pandemic. The vaccines appear to have helped. Additionally, the current variants of the virus, although much more contagious, do not appear to be making as many people severely sick. As a result, we are starting to reach a level of herd immunity or at least the situation is becoming endemic and somewhat less desperate.

Be well, and I hope to see you at the banquet!

Don Holder

Donald “Don” F. Holder, 80, long-time resident of New Britain passed away on January 5th, 2022. Don was best known to us by way of his active involvement with Colts Pistol Team, the MSI/Pratt & Whitney Summer League, the Air Pistol League, and plates matches. He thoroughly enjoyed coaching people eager to learn the sport of bullseye shooting. Originally from Berlin, MA, Don was born on September 11, 1941, and graduated with his Masters in Industrial Technology from Central Connecticut State University in New Britain and was a long-time employee at Pratt & Whitney as a tool and die maker. Don loved all the friends he made while enjoying his activities of his shooting sports, NASCAR, and cheering on the Hartford Whalers and the New England Patriots.
