Range Rules

Handling Firearms

- All firearms brought into, or out of, the range (except concealed carry) must be unloaded and in a case or range bag when entering or leaving the premises.
- All firearms carried on your person are to be carried concealed.
- Do not handle un-holstered or unboxed firearms in the parking lot.
- Dry firing is allowed *only* on the firing line.
- No firearm may be handled anywhere in the building except on the firing line when preparing to shoot, in the cleaning room, in Range Officer's office, or during classes.
- When on the firing line, all firearms must be kept pointed down range at all times.
- When guns are out of cases, the actions must be kept open, except on the firing line when ready to fire.
- Reckless or uncontrolled rapid fire is strictly prohibited.

Targets and Ammunition

- All targets must be bullseye style only and must be suspended from the carrier, down range, beyond the red line. No cross-firing into other lanes is allowed and target extensions must be used when bench resting or firing from a seated position.
- Bullets with full metal or partial jackets, Silver Tip ammo, CCI Blazers, center fire magnum loads or shot shells, may not be fired at any time.
- Plated, lead, copper flashed or, nylon jacketed bullets are allowed but must be inspected by the Range Officer prior to being used.
- All ammunition must have a velocity less than 1040 ft/sec with the exception of .22 rimfire and 9 mm cartridges.

Range Officer

- The Range Officer's commands must be complied with at all times. Failure to obey the Range Officer's commands will result in revocation of your membership.
- The Range Officer has the right to inspect all firearms and ammunition and may prohibit any actions or behavior on the range which he deems to be inappropriate or unsafe.
- When a "CEASE FIRE" or "MAKE THE RANGE SAFE" command is given by a Range Officer or *any other shooter*, all firearms must be placed on the bench with slides locked back, magazines out, and no round in the chamber. In the case of revolvers, the cylinder must be open. All shooters must step back from the ports.

Personnel Safety

- Eye and ear protection must be worn in the shooting portion of the range and waiting room.
- Members are responsible for making sure the line is safe before proceeding forward of the firing line and that the downrange warning light and buzzer are activated. Public shooters must call the Range Officer before going down range.
- No use of alcohol or drugs are permitted. Intoxicated persons are not allowed to use the range.
